2. RESULTS

Figure 2. ICEGD 2026 [1]

Now, the 10th International Conference on Engineering Graphic and Design is taking place in Iasi.

Iasi is one of the most significant cities in Romania, situated in the north-east part of the country within the historical region of Moldavia. It serves as the administrative centre of Iasi County and is a key hub for culture, academia, economy, and spirituality.

The conference addresses 4 main topics:

1. Geometry and Graphics: Theory and Applications
2. Engineering and Computer Graphics
3. Design and Visualization
4. Education and Teaching Strategies

3. CONCLUSIONS

In conclusion, the 10th edition of the ICEGD 2026 Conference gathers leading experts in the field in a fresh and inspiring setting, enriched by the beauty of the region and the gracious hospitality of the host organizers.
